

Initial Display

The multi-function display (1) includes the following functions:

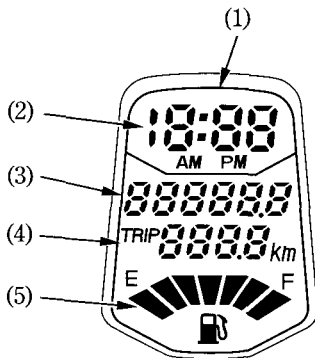

- Digital clock
- Odometer
- Tripmeter
- Fuel gauge

When the ignition switch is turned ON, the display will temporarily show all the modes and digital segments so you can make sure the liquid crystal display is functioning properly.

The tripmeter “km” will be displayed only for ED, EK and U type.

The tripmeter “mile” will be displayed only for E type.

Both digital clock and tripmeter will reset if the battery is disconnected.

- (1) Multi-function display
- (2) Digital clock
- (3) Odometer
- (4) Tripmeter
- (5) Fuel gauge
