

## ////////////////////////////////////// **MAINTENANCE SCHEDULE** //

The maintenance intervals shown in the following schedule are based upon average riding conditions. ODYSSEY'S subjected to severe use, or ridden in unusually dusty areas, require more frequent servicing.

Items marked \* should be serviced by an authorized Honda dealer, unless the owner has proper tools and a HONDA ODYSSEY shop manual, and is mechanically proficient. Other maintenance items are simple to perform and may be serviced by the owner.

### **Initial service period ( First week or 15 hours operation whichever comes first )**

- \*CARBURETOR – Check and if necessary, adjust.
- \*BELT CONVERTER – Check operation.
- BRAKE CONTROL LINKAGE – Check linkage and if necessary, adjust.
- TIRES – Inspect and check air pressure or circumference.
- ALL NUTS, BOLTS, AND OTHER FASTENERS – Check security and if necessary, tighten.
