

WARRANTY SERVICE

Your satisfaction and goodwill are important to American Honda and to your Honda dealer. All Honda warranty details are explained in the Distributor's Limited Warranty.

Normally, any problems with the product will be handled by your dealer's service department. Sometimes, however, despite the best intentions of all concerned, misunderstandings can occur. If your problem has not been handled to your satisfaction, we suggest you take the following action:

- * Discuss your problem with a member of the dealership management. Often, complaints can be quickly resolved at that level. If the problem has already been reviewed with the Service Manager, contact the owner of the dealership or the General Manager.
