

## To Make a Call Using the Call History [Call History]

You can make a call using the call history while the vehicle is in motion. Call history displays the last 30 dialled, received, or missed calls.

- 1 Select [Call History].
- 2 Select the phone number you want to call, and then press the **[ENT]** switch.

 (blue): Dialed call

 (blue): Received call

 (red): Missed call

- 3 To end the call, push forward the  voice control switch on the left handlebar.
  - ▶ The same action can be done by selecting [End Call] on the screen.
- 4 Return to the riding information, previous screen or Home screen. **▶P.38**

You can also perform the above settings by using the touch screen.
