Contents

These pages give an overview of the contents of your owner's manual. The first page of each section lists the topics covered in that section.
Motorcycle Safety
Important safety information you should know, plus a look at the safety-related labels on your motorcycle.
Instruments & Controls
The location and function of gauges, indicators, controls, and the Multi Information Display on your motorcycle and operating instructions for various controls and features.
Before Riding
The importance of wearing a helmet and other protective gear, how to make sure you and your motorcycle are ready to ride, and important information about loading.
Basic Operation & Riding
How to start and stop the engine, shift gears, and brake. Also, riding
precautions and important information about riding with a passenger or cargo.
Audio Systems 95
The location, function, and operation of the audio components on your motorcycle.
Servicing Your Honda
Why your motorcycle needs regular maintenance, what you need to know
before servicing your Honda, an owner maintenance schedule, and

instructions for specific maintenance and adjustment items.
