

## Safety precautions

- Ride carefully and keep your hands on the handlebars and your feet on the footrests.
- Always keep the safety of other riders in mind.  
**NOTICE** This motorcycle is not designed to transport a passenger.

### Protective gear

Make sure that you wear an approved motorcycle helmet, eye protection and high-visibility protective clothing. Always ride alert, adapting to weather conditions and the road.

#### ■ **Helmet**

- Approved, highly visible and the appropriate size for your head.
- It should fit comfortably, but securely, with the chin strap fastened.
  - Visor with a clear field of vision or other approved form of eye protection.

## 2 **WARNING**

Not wearing a helmet increases the chance of suffering serious injuries or even death in the case of a collision.

Make sure that you always wear an approved helmet and protective gear.

**NOTICE** This motorcycle is not designed to transport a passenger.

#### ■ **Gloves**

Abrasion-resistant leather gloves providing full coverage.

#### ■ **Riding boots or footwear**

Sturdy boots with non-slip soles and ankle protection.
