

Instruments *(continued)*

Speedometer

Total odometer [Odo] and tripmeter [Trip 1/2]

The M (Mode) button toggles between the total odometer and tripmeter in normal view.

- Total odometer (Odo):
Total distance travelled.
- Tripmeter (Trip 1, Trip 2):
Distance travelled since the tripmeter was reset to zero (by pressing and holding the S (Set) button to reset the value on the tripmeter screen to 0.0 km/miles).
