Tilt Table Test Result

HONDA
 Vehicle Models: SXS1000M3P/M3D/M3L
 SXS1000M5P/M5D/M5L

36.6

Measurement of lateral stability, in degrees, of a sample, standard condition vehicle (with an operator and a passenger load – 430 pounds) as measured by the manufacturer in accordance with the tilt table lateral stability test in the ANSI/ISOVA standard for Recreational Off-Highway Vehicles. Vehicle modifications, accessories, and loading can affect lateral stability.

Training courses to teach ROV driving are available. For information contact your dealer and/or rovia.org (or cohvca in Canada).

Check with your dealer to find out about state or local laws regarding ROV operation.

THIS HANG TAG IS NOT TO BE REMOVED BEFORE SALE.

WARNING

Improper Use of Off-Highway Vehicles Can Cause Severe Injury or Death

Be Prepared

- Fasten seat belts.
- Wear an approved helmet and protective gear.
- Close doors and latch rears before driving.
- Each rider must be able to sit in a designated seating position with back against seat, feet flat on floor, and hands on steering wheel or handholds. Stay completely inside the vehicle.

Drive Responsibly

Avoid loss of control and rollovers:

- Avoid abrupt maneuvers, sideways sliding, skidding, or fishtailing, and never do donuts.
- Slow down before entering a turn.
- Avoid hard acceleration when turning, even from a stop.
- Plan for hills, rough terrain, ruts, and other changes in traction and terrain. Avoid paved surfaces.
- Avoid side-hilling (riding across slopes).

Rollovers have caused severe injuries and death, even on flat open areas.

Be Sure Riders Pay Attention and Plan Ahead

If you think or feel the vehicle may tip or roll, reduce your risk of injury:

- Keep a firm grip on the steering wheel or handholds and brace yourself.
- Do not put any part of your body outside of the vehicle for any reason.

Require Proper Use of Your Vehicle

Do your part to prevent injuries:

- Do not allow careless or reckless driving.
- Make sure operators are 16 or older.
- Do not let people drive or ride after using alcohol or drugs.
- Do not allow operation on public roads (unless it is an unpaved road designated for off-highway vehicle access) – collisions with cars and trucks can occur.
- Do not exceed seating capacity.

SEATING CAPACITY	2
LOADING CAPACITY	430 lbs (195 kg)

Always use 16"

Locate and Read Owner's Manual, Follow All Instruction and Warnings.
