

Before Driving

Before driving your SXS, you need to make sure you and your vehicle are both ready. This section discusses how to evaluate your driving readiness and what items you should check on your vehicle. It also includes important information about loading cargo.

Are You Ready to Drive?	70
Age & Size Recommendations	70
Protective Apparel	71
Get to Know Your Vehicle	72
Don't Drink & Drive	72
Is Your Vehicle Ready to Drive?.....	73
