

Fuel

3 WARNING

Gasoline is highly flammable and explosive. You can be burned or seriously injured when handling fuel.

- Stop the engine and keep heat, sparks and flame away.
- Handle fuel only outdoors.
- Wipe up spills immediately.

4. (Except AC, II AC type)

After refueling, turn the fuel fill cap clockwise securely and close the door.

(AC, II AC type)

After refueling, turn the fuel fill cap clockwise until it clicks and close the door.

If you replace the fuel fill cap, use a Honda Genuine replacement part or equivalent.

NOTICE

Gasoline can damage camouflage coating, painted, and matte painted surfaces.

Do not allow spilled gasoline to pool on camouflage, painted, and matte painted bodywork. Also, do not allow gasoline soaked rags to be placed on camouflage, painted, and matte painted bodywork.
